## WHEN THERE ARE TOO MANY LAWYERS ★★☆☆☆

By Alan Manly.

If you've ever been involved in a petty squabble and found yourself before the courts, you might want to read the astonishing true story in *When There Are Too Many Lawyers, There Is No Justice* (\$24.95). A dispute over \$115, with a nudge from the legal system, took on a life of its own and over ten years involved every court in the country, including the High Court of Australia.

Tired of pedestrian legal advice and ballooning costs, Alan Manly sacked his lawyers and took on the legal system. Sometimes hilarious, even ridiculous, this is a true Australian 'David and Goliath' story.

*When There Are Too Many Lawyers, There Is No Justice*

is now available at all good book stores.
